

Account Information for Direct Deposit and Other Electronic Transfers (ACH & Wire Transfers)

When setting up electronic transfers (ACH) to/from your Quorum account, please use the following account number formats:

- **For savings accounts:** Provide your member number (also known as your member number) and suffix, **no dashes** (e.g., 12345600).
- **For checking accounts:** Provide the **14-digit account number** at the bottom of your Quorum checks (begins with 1594) rather than your account number and suffix (e.g., 15940123456901).
- The Credit Union's **ABA Routing Number** is 221981335.
